

Invitation to Become an Exhibitor or a Sponsor

2010 InsideNGO Annual Member Meetings

July 12-13 – Finance, Grants and Contracts Meeting

July 14 – Cross Operations Day

July 15-16 – Human Resources (HR) Meeting

George Washington University, Marvin Center
800 21st Street, NW, Washington, DC

An Opportunity to let our Members Learn about YOU

InsideNGO's **Annual Meetings** in July will bring together the Finance, Grants and Contracts, Technology, Legal, and the Human Resources (HR) professionals from InsideNGO's member base of over 250 organizations from the international relief and development community. Go to www.INSIDEngo.org for a list of our members.

We invite you to consider the opportunity to become an Exhibitor or a Sponsor or both for the operational area that best aligns with your product or service.

Benefits of being an Exhibitor

- **Receive maximum exposure and build name recognition.** The Exhibit room will house morning and afternoon breaks, the luncheon buffet and scheduled cocktail receptions to give attendees easy access and frequent opportunities to visit you. You and/or your information will be available to all attendees, and you will be acknowledged in attendee packets.
- **Reach a targeted audience.** Speak one-on-one with decision makers.

Benefits of Sponsorship – several types available: (*Sponsor a break, lunch, cocktail reception, Meeting Programs or be a General Sponsor*)

- **Build name recognition and gain visibility for you company.** You will be acknowledged in attendee packets as well as during the specific event you sponsor.
- **Reach a targeted audience.**

If you would like more information about becoming an Exhibitor or Sponsor, please contact **Bonnie Ricci** at 202-370-7439 or bricci@INSIDEngo.org. To be considered to exhibit, you must be referred by, or working with, one or more InsideNGO members.
