### Please check the appropriate budget category:

<u>Budget Category</u>	<u>Annual Dues</u>	<u>Budget Category</u>	<u>Annual Dues</u>
<input type="checkbox"/> 1< 5 million US\$	\$1,100	<input type="checkbox"/> 100<250 million US\$	\$3,000

<input type="checkbox"/> 50<100 million US\$	\$2,500	<input type="checkbox"/> Sustaining***	\$5,000

\*University: if you are a discrete project, school, center or unit within a larger university, check the dues category that applies to you, otherwise check the University rate.

\*\*Federations: if you are part of a larger global organization that has autonomous branches in multiple countries but your "branch" only is applying for membership (e.g., the U.S. office of a larger global entity) check the budget category that applies to your "branch" only; if you are applying on behalf of the entire federation or global entity and multiple autonomous branches will participate in InsideNGO membership, check this category. \*\*\*Sustaining is a category for members who wish to support the member community with a special contribution beyond their regular dues category. Membership at the Sustaining level entitles your organization to special recognition on InsideNGO's website, recognition in the Annual Meeting Program and on special signage, and to receive a credit of \$500 toward Annual Meeting participation.

- I would like to select a 2 year renewal option to lock in my membership rate. I understand payment for both years is due in full now.
