- A. Os produtos aqui autorizados são uma contribuição do Governo dos Estados Unidos ao Governo da República de Cabo Verde (GOCV) com duas finalidades: 1) ajudar a aliviar a escassez de alimentos causada por seca prolongada e 2) através da venda dos produtos, gerar moeda local a ser usada, como convencionado, para fins de desenvolvimento nas áreas de agricultura, desenvolvimento rural e alimentos, a fim de beneficiar os 80% da população de Cabo Verde que são não somente pobres mas dependem da agricultura como meio de vida. Estas rendas apuradas, por exemplo, serão usadas em projectos para promover a produção agrícola e a produtividade agrícola de pequenos lavradores, aliviando o maior impecilho à produção no país—a falta de água. Terão prioridade a exploração da água e actividades de irrigação que irão beneficiar os grupos rurais mais pobres em Cabo Verde.
- B. A distribuição, vendas e normas contá beis serão feitas de acordo com o Regulamento 11 da AID, cujas cláusulas são aqui incorporadas por referência, as quais deverão também ser executadas de acordo com as seguintes normas:
1. Todos os custos administrativos e outros relacionados ao recebimento e manipulação dos productos serão por conta do GOCV. Isto é, o apurado bruto das vendas estrá à disposição para uso no financiamento dos fins de desenvolvimento, conforme estipulado.
  2. O produto será vendido ao preço corrente do mercado. O apurado será depositado em nome do GOCV numa conta especial separada "Conta para Desenvolvimento de Produtos Agrícolas". As rendas apuradas serão usados exclusivamente para fins de desenvolvimento nas áreas de agricultura, desenvolvimento rural e alimentos, quer sob planos de emergência devido às secas, quer sob planos de desenvolvimento a prazo mais longo do GOCV. Os usos específicos das rendas apuradas em moeda local serão convencionados, por escrito, entre o GOCV e o Escritório da AID em Guiné-Bissau. Todas as quantias que permanecerem por gastar depois de cinco anos da data do depósito na conta especial, e quaisquer juros se os houver; e quaisquer dinheiros para uso dos quais não se tenha chegado a um acordo dentro de três anos após a data do seu depósito na conta especial, serão confiados ao "Disbursing Officer" norte-americano (Funcionário Encarregado dos Pagamentos), AmEmbassy Guiné-Bissau.
  3. O GOCV concorda em apresentar um relatório trimestral sobre a situação da "Conta para Desenvolvimento

de Produtos Agrícolas" ao Escritório da AID em Guiné-Bissau até que todas as importâncias geradas por este acordo tenham sido gastas e relatadas. O relatório trimestral dará detalhes sobre os depósitos e desembolsos, inclusivamente uma breve descrição da natureza de cada desembolso.

4. O GOCV concorda em apresentar um relatório trimestral quanto ao estado dos produtos, ao Escritório da AID em Guiné-Bissau relatando o tipo, quantidade e condição geral dos produtos fornecidos por meio deste. Esse relatório abrangerá, como um mínimo, a seguinte informação:

and origin, and all other goods and services financed hereunder shall have their source and origin in the United States or Cape Verde.

(b) Except as A.I.D. may otherwise specify in writing, the procurement and utilization of commodities and commodity-related services hereunder shall be subject to the terms and conditions of A.I.D. Regulation 1 as from time to time amended and in effect, which is incorporated herein and made a part hereof. If any provision of A.I.D. Regulation 1 is inconsistent with this Agreement, the provisions of this Agreement shall govern. Grantee shall take steps as are necessary to assure that parties to transactions financed hereunder are informed that the provisions of A.I.D. Regulation 1 are applicable to such transactions as hereinabove provided. References in A.I.D. Regulation 1 to "cooperating country" shall be deemed to be references to the Cape Verde Islands.

(c) A.I.D. agrees to furnish to the Grantee copies of A.I.D. Regulation 1, together with amendments thereto, and, for the purpose of Section 2.01(c) of this Agreement, to explain to the Grantee the provisions and requirements thereof.

SECTION 5.02. Eligibility Date. Except as A.I.D. may otherwise agree in writing, no goods or services may be financed under the Grant which are procured pursuant to orders or contracts firmly placed or entered into prior to the date of this Agreement.

SECTION 5.03. Goods and Services Not financed under Grant.

Except as A.I.D. may otherwise agree in writing, goods and services procured for the Program, but not financed under the Grant, shall have their source and origin in countries included in Code 935 of the A.I.D. Geographic Code Book as in effect at the time orders are placed for such goods and services.

SECTION 5.04. Implementation of Procurement Requirements. The definitions applicable to the eligibility requirements of Sections 5.01, 5.02, and 5.03 will be set forth in detail in Implementation Letters.

SECTION 5.05. Reasonable Price. No more than reasonable prices shall be paid for any goods or services financed, in whole or in part under the Grant, as more fully described in Implementation Letters. Such items shall be procured on a fair and, except for any professional services, on a competitive basis in accordance with procedures therefor prescribed in Implementation Letters.

SECTION 5.06. Shipping and Insurance.

(a) Goods financed under the Grant shall be transported to the country of the Grantee only on flag carriers of a country included in Code 935 of the A.I.D. Geographic Code Book as in effect at the time of shipment.

(b) Unless A.I.D. shall determine that privately-owned United States-flag commercial vessels are not available at fair and reasonable rate for such vessels, (i) at least fifty percent (50%) of the gross tonnage of all goods (computed separately for dry bulk carriers,

dry cargo liners and tankers) financed under the Grant which may be transported on ocean vessels shall be transported on privately-owned United States-flag commercial vessels, and (ii) at least fifty percent (50%) of the gross freight revenue generated by all shipments financed under the Grant and transported to the country of the Grantee on dry cargo liners shall be paid to or for the benefit of privately-owned United States-flag commercial vessels. Compliance with the requirements of (i) and (ii) above must be achieved with respect to both cargo transported from U.S. ports and cargo transportation from non-U.S. ports, computed separately.

(c) Marine insurance on goods may be financed under the Grant with disbursements made pursuant to Section 6.01, provided (i) such insurance is placed at the lowest available competitive rate in the country of the Grantee or in a country included in Code 941 of the A.I.D. Geographic Code Book as in effect at the time of placement, and (ii) claims thereunder are payable in the currency in which such goods were financed or in any freely convertible currency. If the government of the Grantee, by statute, decree, rule, regulation, or practice discriminates with respect to A.I.D.-financed procurement against any marine insurance company authorized to do business in any State of the United States, then all goods shipped to the cooperating country financed under the Grant shall be insured against marine risks and such insurance shall be placed in the United States with a company or companies authorized to do a marine insurance business in a State of the United States.

(d) Except as A.I.D. may otherwise agree in writing, the Grantee shall insure, or cause to be insured, all goods financed under the Grant against risks incident to their transit to the point of their use in the Program. Such insurance shall be issued upon terms and conditions consistent with sound commercial practice and shall insure the full value of the goods. Any indemnification received by the Grantee under such insurance shall be used to replace or repair any material damage or any loss of the goods insured or shall be used to reimburse the Grantee for the replacement or repair of such goods. The source and origin of any such replacements shall be as provided in Section 5.01, and shall be otherwise subject to the provisions of this agreement.

**SECTION 5.07. Notification to Potential Suppliers.** In order that United States firms shall have the opportunity to participate in furnishing goods and services to be financed under the Grant, the Grantee shall furnish to A.I.D. such information with regard thereto, and at such times, as A.I.D. may request in Implementation Letters.

**SECTION 5.08. Information and Marking.** Grantee shall give publicity to the Grant and the Program as a program of United States aid and shall mark goods financed under the Grant, as prescribed in Implementation Letters.

Upon satisfaction of conditions precedent, the Grantee may, from time to time, request A.I.D. to issue Letters of Commitment for specified amounts to one or more United States banks, satisfactory to A.I.D., committing A.I.D. to reimburse such bank or banks for payments made by them to contractors or suppliers, through the use of Letters of Credit or otherwise, for Dollar Costs of goods and services procured for the Program in accordance with the terms and conditions of this Agreement. Payment by a bank to a contractor or supplier will be made by the bank upon presentation of such supporting documentation as A.I.D. may prescribe in Letters of Commitment and Implementation Letters. Banking charges incurred in connection with Letters of Commitment and Letters of Credit shall be for the account of the Grantee and may be financed under the Grant.

SECTION 6.02. Disbursement for Local Currency Costs. Upon satisfaction of conditions precedent, the Grantee may, from time to time, request disbursement by A.I.D. of local currency for local currency costs of goods and services procured or to be procured for the Program in accordance with the terms and conditions of this Agreement by submitting to A.I.D. such supporting documentation as A.I.D. may prescribe in Implementation Letters. A.I.D. may make such disbursements from local currency of the country of the Grantee owned by the U.S. Government and obtained by A.I.D. with United States dollars.

SECTION 6.03. Other Forms of Disbursement. Disbursements of the Grant may also be made through such other means as the Grantee and A.I.D. may agree to in writing.

SECTION 6.04. Termination Date for Disbursement. Except as A.I.D. may otherwise agree in writing, no Letter of Commitment, or other commitment document which may be called for by another form of disbursement, or any amendment thereto, shall be issued in response to requests received by A.I.D. after eighteen (18) months, and no disbursement shall be made against documentation received by A.I.D. or any bank described in Section 6.01 after twenty-four (24) months from the date of execution of this Agreement. A.I.D., at its option, may at any time or times after twenty-four (24) months from the date of execution of this Agreement reduce the grant by all or any part thereof for which documentation was not received by such date.

## ARTICLE VII

## Termination and Remedies

SECTION 7.01. Termination. This Agreement shall enter into force when signed by both parties. Either party may terminate this Agree-

TIAS 8487

ment by giving notice in writing to the other party not less than thirty (30) days prior to the effective date specified for such termination. Any such termination shall terminate the respective obligations of the parties to make contributions pursuant to this Agreement, except for payments which they are committed to make pursuant to non-cancellable commitments entered into with third parties prior to the termination of this Agreement. It is expressly understood that all other obligations of the parties under this Agreement shall remain in full force and effect after such termination.

SECTION 7.02. Termination of Disbursement. In the event that at any time:

(a) The Grantee shall have failed to comply with any provision of this Agreement; or

(b) An event occurs that A.I.D. determines to be an extraordinary situation that makes it improbable either that the purpose of the Grant will be attained or that the Grantee will be able to perform its obligations under this Agreement; or

(c) Any disbursement by A.I.D. would be in violation of the legislation governing A.I.D.; or

(d) The Grantee shall have defaulted in its obligations under any other agreement between the Grantee or any of its agencies and the United States or any of its agencies, then A.I.D. may, at its option:

(i) suspend or cancel outstanding commitment documents to the extent that they have not been utilized through the issuance of irrevocable Letters of Credit or through bank payments made other than under irrevocable Letters of Credit, in which event A.I.D. shall give notice to the Grantee promptly thereafter;

(ii) decline to make disbursements other than under outstanding commitment documents;

(iii) decline to issue additional commitment documents;

(iv) at A.I.D.'s expense, direct that title to goods financed under the Grant shall be transferred to A.I.D. if the goods are from a source outside the country of the Grantee, are in a deliverable state and have not been offloaded in ports of entry of the country of the Grantee.

SECTION 7.03. Refunds.

(a) If A.I.D. determines that any disbursement is not supported by valid documentation in accordance with the terms of this Agreement, or is not made or used in accordance with the terms of this Agreement, or is in violation of legislation governing A.I.D. or of any applicable laws or regulations of the United States Government, A.I.D. notwithstanding the availability or exercise of any of the other remedies provided for under this Agreement, may require the Grantee to refund such amount in United States dollars to A.I.D. within thirty days after receipt of a request therefor. Unless A.I.D. agrees otherwise in writing, refunds paid by the Grantee pursuant to this Section shall be considered as a reduction in the amount of A.I.D.'s obligation under

TIAS 8487

this Agreement, and shall not be available for reuse under this Agreement. Notwithstanding any other provision in this Agreement, A.I.D.'s right to require a refund with respect to any disbursement under the Loan shall continue for five years following the date of such disbursement.

(b) Subject to the provisions of paragraph (a) above, in the event that A.I.D. receives a refund from any contractor, suppliers, or from any other third party connected with the Grant with respect to goods or services financed under the Grant, and such refund related to an unreasonable price for goods or services, or to goods that did not conform to specifications, or to services that were inadequate, A.I.D. may, at its option, make such refund available for the cost of goods and services procured for the Program hereunder, to the extent justified.

**SECTION 7.04. Causes of Action Against Contractors and Suppliers.**

The Grantee agrees to execute an assignment to A.I.D., upon request of any cause of action which may accrue to the Grantee or to any of its agencies in connection with or arising out of a contractor's or supplier's performance or breach of performance of any contract for procurement of goods or services financed in whole or in part out of funds provided by A.I.D. under this Agreement.

**SECTION 7.05. Expenses of Collection.** All reasonable costs incurred by A.I.D. other than salaries of its staff, in connection with the collection of any refund due A.I.D. under this Agreement may be charged to the Grantee and reimbursed to A.I.D. in such manner as A.I.D. may specify.

**SECTION 7.06. Prohibited Benefits.** No member of or delegate to the United States Congress or U.S. resident commissioner shall be admitted to any share or part of this Agreement or to any benefit that may arise therefrom.

**SECTION 7.07. Nonwaiver of Remedies.** No delay in exercising or omission to exercise any right, power, or remedy accruing to A.I.D. under this Agreement shall be construed as a waiver of any such right, power, or remedy or of any other right, power, or remedy hereunder.

**ARTICLE VIII**
