40th Anniversary Celebration Sponsorship Opportunities

To mark our 40 years of serving the international development community, InsideNGO is hosting its first-ever evening dinner in conjunction with the annual conference.

Our 40th Anniversary Dinner Celebration will take place at the end of our opening day, Wednesday, July 19, 2017 in Ballroom C at the Convention Center.

We are expecting more than 500 attendees members, industry partners, and their guests to join us for a relaxed and lively event that will recognize our pride in the work we do and salute the contributions of our members!

Hosted by an emcee, our program includes:

- ✓ special recognition for key collaborators throughout the InsideNGO journey
- ✓ live entertainment
- ✓ the presentation of our annual excellence awards

This evening event is a chance for sponsors to connect informally with others in the community as we celebrate 40 years of learning and sharing. This event is ticketed separately from the overall conference admission ticket.
